

2004-2005 Ceded Territory Walleye Bag Limits. 5/21/04

Inland waters not listed below have a total daily bag limit of 5, unless listed in the regulation book as a special regulation water. Bag limits listed here supersede those in the regulation book. THESE BAG LIMITS ARE EFFECTIVE MAY 28, 2004 TO MARCH 6, 2005 INCLUSIVE.

The total daily bag limit for walleye is 5. If the lake you are fishing has a bag limit less than five, you can fish other lakes to fill your daily bag limit. While fishing, you cannot possess fish in excess of that lake's daily bag limit. **Therefore, remember to remove all fish from your boat prior to fishing on a second lake that also has a restricted bag limit.**
